

5 Minute Summer Salad

The simplest 5 minute summer salad recipe that I've ever tried and it tastes great. Very simple, quick and affordable - you should try it too.

Ingredients

- 1 Cucumber
- Baby spinach leaves
- Grape tomatoes
- Cooked prawns
- Balsamic vinegar
- Olive oil, salt & pepper

Method

1. Wash the baby spinach leaves & put into your large salad plate (unless you bought a bag of washed & ready to eat ones, but even still, I wash them too)
2. Slice the cucumbers & put them in
3. Toss in the grape tomatoes & cooked prawns
4. Drizzle the balsamic vinegar and olive oil on.

5. Add salt & pepper, and then give the salad a toss and mix. Enjoy ☐
