

Fruit Dessert for Kids: Almond-Orange Caterpillar

This fruit dessert is such an easy recipe, and it makes eating fruit a lot of fun for kids. Even if you don't like eating fruit, it's always a good idea to have a little bit of fun with it. It's also good for kids parties and things where you want to have some healthy snacks. It's great for a cute little bit of fun and super simple and cheap, with only two ingredients.

Ingredients

- 1 orange
- 2 almonds per slice, or just on the first one if you wish

Method

1. Take orange and slice it as pictured above
2. Place almonds onto the orange to make eyes.
